CLEVELAND, OHIO
Sept. 14th & 15th, 1935

I take great pleasure in presenting my 1935 illustrated descriptive catalogue of high class dahlias as grown in my gardens. Realizing that to list an enormous number of dahlias is confusing and can serve no good purpose, I have listed only those of superior merit.

I desire to thank my many customers for their liberal patronage during the past year and for the many kind letters telling of their success they had with my dahlias, both in the garden and show room. I ceaselessly endeavor to maintain a reputation for fairness, integrity and trustworthiness to do a clean business, satisfactory to me and my customers. My best business comes from those who send me their orders year after year; they know they can depend on me for good stock and a fair deal.

Visitors welcome at all times. Do not fail to visit our gardens during the blooming season.

This catalogue is alphabetically arranged so that the busy man or woman can find what is wanted quickly.

Full culture directions sent with each order.

TERMS OF SALE:—Please read carefully.

The following offers are made subject to Prior sale, and on the following conditions.

Our quotations are for strictly first class stock, and I guarantee its quality to please you. Any stock that should prove otherwise I will cheerfully replace free of charge. Beyond that my responsibility ceases.

There has and always will be a limited number of failures in every line of Gardening endeavor, most of which are usually beyond control, such as soil condition, too deep or too shallow planting, lack of cultivation, unfavorable weather, etc., which renders it impossible for us to guarantee your success but I do guarantee to fill your order with good healthy stock, and to deliver them to you in growing condition. With each order I send printed cultural instructions for your guidance, which if followed carefully, should be very helpful in guiding you to success.

Terms:—Cash with order. Orders for less than \$1.00 not accepted unless 25c postage is added. On early orders a deposit of 25% of the amount of order will hold it till shipping time, balance may be C. O. D. Usual trade discount except those marked Net.

Always state by what method you want your goods forwarded, otherwise I will use my best judgment. Claims must be made within 5 days after receipt of goods. All goods travel at owners risk.

Non-Warrant: I endeavor to send out the best quality only, true to name and color, but I cannot guarantee results. If customers do not accept goods on above conditions, they may be returned to me within 10 days.

I will not substitute unless ordered to do so.

The New Introductions

We do not have sufficient stock of roots to catalogue the 1935 releases. However we will have plants of most of the newer varieties and will be pleased to mail you a copy of plant list on request, ready about April 1st.

We also carry stock of many varieties of which we do not have sufficient stock to catalogue. If you don't find the varieties listed you are interested in, please write us. We will gladly quote prices on same if we have them. Or will get them for you.

We have dahlia seed of which we can furnish parent's name also mixed seeds. Our seed is grown under contract, from our own stock, in the State of Washington where the season is longer and develops seed that will germinate.

FAIRY (MD) All who have seen this miniature have described it as a miniature Jersey's Beauty. The color being the same lovely shade of pink, with a slight trace of mauve towards the tips. A perfect decorative which in the past 4 years has as yet to show a single fault. Perfect stems profused bloomer, good root maker and the very earliest bloomer we have yet had. I guarantee FAIRY will be the first to bloom in your garden. It is unexcelled for florists work. A good keeper after being cut. We offer strong

WHAT OTHER GROWERS SAY ABOUT FAIRY

Addresses will be sent on request

Kemp's Gardens, Little Silver, N. J., writes: We found Fairy the most satisfactory of any miniature we have ever grown. It is an exceedingly profused and continuous bloomer from early until late season, and I know of nothing in dahlias more beautiful than a vase or basket of from 25 to 50 blooms of this little beauty. We received a gold medal award at the Asbury Park, New Jersey, Show for a basket of 50 blooms. At the New York and other shows in which it was exhibited, it was greatly admired by every one visiting the shows. I think there is a great future for this splendid little dahlia. You may use this in the form of a testimonial if you so wish.

Yours truly,

J. A. KEMP.

A customer from Battle Creek, Mich., writes: The two plants of Fairy did fine, and I want to say that it is the finest Miniature I ever saw, and I think

DAYTON'S DAHLIA GARDENS

it is going to be a great seller for some time to come. I wish you would let me know what price you are going to get for it this year.

Yours truly,

A. H. EMMONS.

From Madison, Wis.: I never cared much for the Miniatures until I grew the three roots of Fairy. This is worth a place in my garden as long as it does as well as it has for me thus far.

Sincerely yours,

J. B. (Name on request.)
